Dear Renton

On behalf of Northern Tasmania Development and all those who participated in the Launceston City High Schools Cluster, Australian Business Week, 28/6 – 4/7/06 thankyou for your generous sponsorship with webtraining™ and for your support at the Awards Ceremony. Your sponsorship was linked to an award entitled, **Best Written Report**. The winners of this category were Carpe-Diem from Queechy High School.

It is my firm conviction that Business Week generates valuable learning for students because of their exposure to highly skilled business and educational expertise. All eighty team members responded very positively to the many challenges of the week with this guidance.

At the conclusion of the week, Chief Executive Officer of Hotel, *Carpe diem*, Cameron McCreary (Yr. 10, Queechy High School) is quoted as saying: "It was awesome, a lot of fun, probably the best bit was working in a team." (The Examiner, 13 July, 2006) Your expert help ensured that team members like Cameron, had a very successful Business Week.

Thank you again for your assistance.

Yours sincerely

Bruce Dunn  
Australian Business Week  
Regional Co-ordinator
